ANNOUNCEMENT #: 20A-06
ISSUE DATE: July 27, 2006
CLOSING DATE: Open Until Filled
TITLE: **Environmental Specialist (Limited Status)**
SALARY: 17/ \$29,012 - \$37,027

JOB SUMMARY: To develop and implement environmental programs and projects to ensure compliance with Federal, State and Local regulations; to assess environmental regulatory compliance status for City facilities; to research and address environmental issues related to drinking water, wastewater, storm water, and other City programs and projects.

MINIMUM QUALIFICATIONS: High School Diploma or GED; two years of responsible experience in water quality, or environmental management, including compliance assessment for required environmental programs, implementing environmental programs required by permits or regulations, or implementing environmental public education programs; training equivalent to college level courses in chemistry, biology or a related field supplemented by course work in the categorization and storage of hazardous materials; or any combination equivalent to experience and training that would provide the required knowledge, skills and abilities to perform the functions of the position. Appropriate post high school training or education may substitute for work experience. Valid Arizona Driver's License.

SPECIAL REQUIREMENTS: Residency within a five mile radius of the City of Douglas in the United States within three months after the completion of probation

HOW TO APPLY: Submit a City of Douglas application form to: City of Douglas Human Resources Department, 425 10th Street, Douglas, AZ. 85607. Applications must be received by 5:00 p.m. on the closing date specified on this announcement.

EVALUATION METHOD: Applications will be initially screened for minimum qualifications by the Human Resources Director. Those applicants meeting the minimum qualifications will be invited to a general interview session to qualify for placement on hiring lists.
